Grange Mission Statement

"The Grange strengthens individuals, families, and communities through grassroots action, service, education, advocacy, and agriculture awareness."

So now you can ask yourself how is your Grange promoting this mission statement?

National Grange Foundation Raffle Tickets

Enclosed: one or two raffle tickets for the National Grange Foundation. The raffle ticket is for a Tender Heart Quilt. If you or your Grange wins this quilt it could be a potential fund raiser for your Grange or a really nice gift. You could raffle it off utilizing the CSG Raffle License (as long as you contact me and follow the rules), you could auction it off, or sell it on Craig's list or some other way. Please consider purchasing or selling the tickets I have enclosed and send the stub along with the payment back to me as soon as possible. Checks should be made out to the National Grange Foundation. If you want more tickets please let me know.

UNITED HEALTH CARE

This company would like to offer Grange members who are in the 65-year age range with supplemental Medicare products. They are associated with American Senior Benefits. Since the State Grange nor the National Grange has the birth year of members we've been asking Secretaries to collect this information and provide it to us so that more of these types of benefits can be secured and passed on to our membership without paying additional membership fees to AARP and other such organizations. *We need your corporation and help. Please encourage your Secretary or membership chairman or some other member to collect the information.* We don't want to miss out on opportunities because we don't have the information that will help find benefits.
